

Clyde Hill Elementary PTA

The Clyde Hill Elementary PTA is a volunteer-run non-profit 501(c)(3) organization dedicated to enhancing the educational experience for all Clyde Hill Elementary students by working with teachers, staff, and families to provide support and activities throughout the school year. There is a gap in funding at the state and district level so schools rely heavily on the support of PTA organizations.

Our PTA's goal is to provide clear communication to families and staff and be transparent about spending and what is provided to the school community.

Our Preschool through Grade 5 student population increased from 453 last school year to almost 650 students this year. This 40% increase in students dramatically increases the volunteer needs and projected expenses incurred by the PTA.

Our PTA must ask for volunteer help and monetary donations from families and the community to help make Clyde Hill Elementary School the best it can be. Without volunteers there would be no PTA! Parents and family members that volunteer make it possible for our PTA to provide support to the school (vision/hearing screening, picture day needs, kindergarten camp, etc.) plus running our well-loved community events like Trunk or Treat, heritage and science fairs, Reflections, school dance, and more.

In addition to volunteer needs, Clyde Hill PTA must raise funds to provide additional education enrichment programs for all students. The PTA hosts two fundraisers every year, the Envelope Drive in fall and the Walk-A-Thon in spring.

The Envelope Drive fundraising campaign is the PTA's main fundraiser each year and helps set the bar as to what can be provided. At this time we have raised less than 50% of our operating budget goal and have extended the Envelope Drive fundraising campaign through Wednesday, November 22.

Your tax-deductible contributions enhance the education experience of all the children during their elementary school years. To continue to provide our current level, the PTA needs to raise \$190,000 this school year. Any donation amount is greatly appreciated and welcome. Your support by volunteering and/or donating, no matter the amount, makes an impact.
