

Dear Potential Sponsor,

The Clyde Hill Elementary Parent-Teacher Association (PTA) is a non-profit, volunteer organization dedicated to enhancing the educational experience for all students at Clyde Hill. We work to support our school by providing enrichment opportunities and building a strong school community which brings together parents, teachers, students, and local businesses such as yours.

Why We Need Your Support

Despite ongoing needs, K-12 education remains significantly underfunded at both the state and district levels. The Bellevue School District is now facing a staggering \$20 million budget shortfall for the 2025–2026 school year—an unprecedented gap that will have serious consequences for schools like Clyde Hill Elementary. With over 600 students from diverse economic backgrounds, Clyde Hill is bracing for deep cuts: fewer teachers and staff, limited classroom resources, larger class sizes, and diminished student support. In response, the Clyde Hill PTA is working tirelessly to bridge these gaps and ensure every student continues to have access to the programs and tools they need to succeed.

Our annual Walk-A-Thon is an important fundraising and community-building event where students run or walk laps to raise money for the school. This year's event will be held on Friday, May 30.

Funds raised from this event help us to provide things such as:

- **General School Assistants (GSAs):** Clyde Hill currently has seven GSAs that provide personalized attention in and out of the classroom. Our GSAs will be reduced to five next year. In order provide funding for just another half time GSA the PTA will need to raise \$27,000.
- **Curriculum Enhancements** including field trips, educational software, books, and reading/math/ELL applications.
- **Community Events** such as Bingo Night, Trunk or Treat, Science Fair, Heritage Festival, All School Dance and more.

To ensure that these critical programs continue, we are asking for your help by becoming a sponsor.
